Jean Picker Semester-in-Washington Program
Recommendation Form

Instructions: download and save this document to your local drive. Fill it out, save again, and email your completed recommendation as an attachment to government@smith.edu with the subject heading: Picker Program Recommendation. Alternately, you may send an email message to the above address. Please read the program description below first. Recommendations are due no later than Friday, November 10, 2023.

Recommender name:

Student name:

The Semester-in-Washington Program is particularly demanding. Students must hold a full-time job, take a regular college-level seminar, and complete a double-credit research paper requiring a good deal of self-direction.

Please comment on the student's qualifications for this program, especially their academic skills and evidence of dependability and self-reliance.
